

# CLCA Logos & Decals — **FREE!** CLCA Member Benefits

Be recognized as a member of California's green industry elite.

All members are encouraged to use the CLCA logo on business cards, letterhead, contracts etc. and apply the logo decals to their truck fleet. The best part is — this PR boost is absolutely free to use!

## Truck Decal Request

The association has five styles of truck decals available to members free of charge. Order as many as you like, but please order only what you need as they are VERY expensive to produce.

Decals come on a clear or white vinyl backing. The white-backed decals should be used on darker-colored trucks or for covering old CLCA decals. Decal colors are green and grey.
